Dear Parents:

Greetings to you from the Co-Curricular Board!! We are a board that consists of parents like you, along with Mr. Ruppert and a School Board member representative. We oversee all athletic, and co-curricular events at our school. Recently we asked the School Board to approve increases on many of the activities your child is involved in. After careful analysis from our committee, we concluded we were running a budget deficit, which necessitated a change in our fee structure. The following are the fees that will take effect immediately this year:

Basketball: \$35
Cheerleading: \$35
Track: \$25
Scholastic Bowl: \$20
Yearbook: \$20
Computer Club: \$15
Lego Club: \$25
Soccer: \$35 (2008)
Volleyball \$30 (2008)

We want you to know that our Co-Curricular activities at Concordia involve **every** child. If ever an instance you have a financial hardship that would make it difficult to have your child participate please contact either Mr. Ruppert or a member of our board. No child will be denied a chance to participate.

Sincerely,

The Co-Curricular Board:
