FUEL YOUTH LIBERIA UPDATE:

Through a grant from the Liberian government, the well at United Christian Academy was built without our money. BUT, God had different plans for our offerings. A new school is being built in a very rural area, Messima. The builder requested the need for funds to get the supplies to Messima before the rainy season begins and the roads are impassable. The amount needed? \$1,000.00. Our check for \$917.00 arrived 1 day after the email requesting urgent help. God does work in mysterious and wonderful ways!

LAST WORD FROM MRS. IBE

Last week, a representative from Peoria's Farm Bureau spoke to the 7th & 8th grade students on the use of GPS in farming. Many thanks to Debbie Rudin for arranging this speaker whose presentation blended & enhanced our study in technology class of GPS and its uses.

The AR Store is empty!!! I would ask that you keep the AR Store in mind as you are out shopping this summer so that we might have full shelves in the Fall. Right now the shelves are bare. Thank you.

STAY IN TOUCH THIS SUMMER

Although we know you're ready to be on summer break, wearing flip-flops and sunscreen, taking it easy, we don't want to lose all contact over the summer. Here's an easy way to know what's going on. And you can even do it poolside! Simply follow us on Facebook at ConcordiaPeoria (search for us or type in Facebook.com/ConcordiaPeoria). This fan page will eventually replace the Concordia Lutheran Cougars group page so be sure to "like" us. Why? So we can keep you up-to-date, hopefully post some pictures, maintain valuable friendships, let you know about important information, and recognize the success of our students and graduates. Questions? Email Michelle Lefebvre at mjlefebvre@dlacreative.com.

Come see our new BOULDER!

Our Daisy Troop did very well with Girl Scout Cookie sales, and the girls wanted to do something for the outside of Concordia. They purchased a 300-pound sparkly pink boulder, and placed it near the back door of Mrs. Mantick's classroom. All of their names are painted on it, and soon a Cougar will be painted on the top also. Stop at school and check it out! THANK YOU, DAISY TROOP, FOR ALL YOUR HARD WORK, AND FOR THINKING OF CONCORDIA!
