A WORD FROM DR. RUSSELL AND MR. KAHN

Grandparents Day: Friday, March 3rd we welcomed a host of grandparents who had the opportunity to visit their grandchildren at school. This annual event is certainly a fun time for us and hopefully a meaningful day for the grandparents and their grandchildren.

Burnt Toast Photography: Interstate Photography, our school photographer, was here on Wednesday, March 3rd for "fun photos", we are planning a second photography "fun day" event in April. The purchase of proofs from either of these fun day photography shoots is completely voluntary. The concept is to provide families with student photographs that are somewhat more "fun" than the normal school photos. This next event, scheduled for April 16, will be conducted by Burnt Toast Photography, owned and operated by Cheri Hirschmann. More information will be provided in the near future.

Band Pancake Breakfast: The Band has scheduled a pancake breakfast for Saturday, March 20th. Please plan on joining us.

Golf Outing: Please reserve August 13th for the CLS Golf Outing. This event still requires approval from the Concordia Board of Directors, but we want make everyone aware of the tentative date.

2010 U.S. Census Jobs: The United States Bureau of the Census is offering temporary, part-time jobs that offer good pay, has flexible hours and are close to home. Anyone interested should call 1-866-861-2010 or visit www.2010censusjobs.gov.

Teacher Appreciation Week: Teacher appreciation week is March 22 – 26th. Parents may want to begin to think about ways to express appreciation for their student's teacher(s). More information will be coming.

Discover Concordia: This is an opportunity for all families, new to Concordia, who will have students here next year to get to visit Concordia! This "open house" will be held on March 14th. We invite you to tell anyone that you know who may be new to Concordia, and are thinking about sending their children to Concordia next school year, to join us on that day. The event will begin at 1:00 p.m. in the Commons. If you know of someone new who would like to know more about Concordia, but cannot attend our Discover Concordia event, simply encourage them to stop by for a packet of information and/or a tour of the school.

National Lutheran Schools Week: ! **Chapel Donations for March:** Donations at Chapel for March/April will be for school supplies for the Liberian Project. This project is one promoted by Concordia for the past two years. Regarding this project, Mrs. Yocum states, "Please help build the well! In our third year of support for United Christian Academy outside of Monrovia, Liberia, we are using our chapel offerings to help build a clean water system for the school and its surrounding community. Currently, the only water for the children is that which is toted in. Your help in the past 2 years to provide scholarships and supplies has been truly appreciated by the school and its community. Please see the FUEL Youth website for more information and pictures: www.fuelyouthliberia.org. Thank you so much!"

Consider this Character Trait: The special character trait featured this week is "wisdom". Please discuss with your children the concept of "wisdom". **Thought for the Week:** "Through wisdom a house is built, and by understanding it is established." Proverbs 24 : 3

BOX TOP NEWS

Congratulations to the Mirhakimi family for turning in the most Box Tops this time. They won a \$20 gift card to Target! We have done an awesome job collecting this year. Our grand total is \$1,525 which will help cover the cost of this year's Fun Day. That is FREE money that we have all helped to collect one 10 cent Box Top at a time. We will have one more collection toward the end of the year, which will give us a good start on next year. Keep up the good collecting!

PLEASE HELP BUILD THE WELL!!

In our third year of support for United Christian Academy outside of Monrovia, Liberia, we are using our Chapel offerings to help build a clean water system for the school and its surrounding community. Currently, the only water for the children is that which is physically carried in. Your help in the past 2 years to provide scholarships and supplies has been truly appreciated by the school and its community.
